

Table Top Automatic Flat Square Box Plane Labeling Machine

Product Description

Mini Automatic Flat Labeling machine with self-adhesive reel labeling paper, labeling roll paste way to complete the labeling process, self-adhesive labeling machine with a clean, non-moldy, beautiful labeling, solid, will not fall off on their own, Productivity advantages.

Model	CY-160
Accuracy	+/-1mm
Speed	20 - 200pcs per minute
Available Bottle OD	20 - 120mm
Label Width	15 - 200mm
Label Length	25 - 300mm
Label Roll ID	76mm
Max. OD of Label Roll	250mm
Voltage	AC220/110V 50/60Hz
Power	1500W
Dimension	1270x80x78cm

Main Features

- 1)Improve product labeling, film attached efficiency, affixed with accurate location, good quality, high stability; additional production counting function;
- 2)Avoid manual labeling, foil inefficient, attached to the skew, blisters and folds, attached to a series of irregular positions and other issues;
- 3)Effectively reduce product costs, improve product labeling beauty, increase product competitiveness. The main material of the equipment is made of all-aluminum alloy, the whole structure is firm and beautiful, the equipment is stable with the control of standard micro PLC + standard sensor electronic control system;

CY-160 plane labeling machine for the whole high-garde stainless stell and high-garde aluminum alloy ,labeling head using high-speed servo motor to ensure the accuracy and speed of labeling ;all the optoelectronic systems are also used in germany ,japan and taiwan imported high-end products ,PLC with man-machine interface contral , simple operation clear.
